Flower Moistened by the Dusk

—introduction—

Hello, nice to see you. My name is Kabocha Torte.
This time, the story is about two characters, attired in yukata,
making love. The contents are strongly in favor of "male" customers.
Also, their brains have gone insane due to the summer heat.
I'll be happy for those who are generous with thinking,
"I accept no matter how they become!", and read until the end.

See you soon in the postscript...

A CERTAIN NIGHT IN JULY...
IT'S EVEN HOT AT NIGHT THIS SUMMER...
And for the A/C to be broken at a time like this...
Flap Flap
N... flap
thump thump
THANK YOU FOR WAITING~
I took a while...
Oh, your sash is loose, let me fix it~

TONIGHT'S PLAN IS TO WATCH THE FIREWORKS FESTIVAL IN CASTELIA CITY...

YOU'RE STILL SICK. IT'S BETTER THAT YOU DON'T PUSH YOURSELF TOO HARD.

AHH... ♥
AND, THE RESULT OF GOING FOR ANOTHER ROUND...

THE NEXT DAY
What did they do...?
cough cough cough
HE CAUGHT A COLD TO GO ALONG WITH TOUKO.

END♥

Thank you for reading it up to here! I considered
swimsuit play at the beginning, but, after a simple
questionnaire, many people voted for yukatas. So...
This time, it became a story about making love in yukatas.

I really wanted to draw a boob-job, so it became
such play as you've seen... Anyway, Touko felt so good
during the play. Could N be pleased with this...?
Sorry to those who didn't like it... Those who know about
me in Nico Sei think that I'm consistent as always! Maybe...

For your reference, the design of N's yukata
on the front page is Seigaiha.
In the next book, I wanna draw more sex positions...

Finally...
See you again somewhere else~
